

Thank you!

The Chestnut Street Playhouse is one of the hottest tickets in town! With multiple sold-out shows and events, and another extremely successful year underway, the organization is focused on community connections while providing quality performing arts and educational opportunities.

Each year, the golf tournament proceeds help to maintain the historic building and real estate enabling The Chestnut Street Playhouse to focus on their amazing theatrical productions. All funds from this tournament go to the operational costs of the building.

Progress at the Theater!

Thanks to grant support from the State of Connecticut as well as many of our loyal supporters, the historic building of the Chestnut Street Playhouse is now fully sprinklered and is in full compliance with fire safety codes for the first time since the 1870's! We have also renovated the second floor and now have space for offices, rehearsing, and meetings. The main floor has also seen extensive work done including the concession stand and improving the backstage areas as well as the storage and workshops.

The Chestnut Street Playhouse is working to keep all of its productions and programs affordable for the Norwich community. Fund-raising events such as this tournament are vital to the success of those efforts.

PLEASE. Take advantage of the free theater tickets you receive when you participate in our tournament.

You make all the difference!

Help us in supporting
the outstanding creative
work of the Chestnut
Street Playhouse

We are proud to say that our efforts have been rewarded. We have received several federal and state grants to help us build on our mission of providing high-quality, live performing arts. We have also been successful in broadening the diversity of our audiences and our casts of performers while resuming a full production schedule. The response this year has been gratifying as we are once again performing for sold-out shows and providing a variety of live entertainment for the Norwich community.

Join us again this year for Golf, food, drinks, and community support.

We look forward to seeing you.

Get the Spirit!

The Chestnut Street Playhouse, located in the historic Chestnut Street Fire House in downtown Norwich, is committed to providing high quality, live entertainment and education in the performing arts. We are working hard to be THE performing arts center for the Norwich Community. We have been reaching out in all directions to establish the ties that will bring success, recognition, appreciation, and pride to the theater.

In addition, The Chestnut Street Playhouse has been leading the charge for the revitalization of downtown Norwich by working to build a vibrant and dynamic arts district that promotes tourism, serves as an engine for economic development and provides an attractive and desirable community for development and corporate investment.

Show your support for this amazing organization and have fun at the same time by joining us for a day of golf, food and prizes.
